

# THE WICKEDGÜD MISSION

## WICKED taste. GÜD INGREDIENTS

We are on a mission to empower Indian mothers by deconstructing “junk” to re-construct with fresh, nutrition-rich, homely versions to avoid the constant compromise with food and offer 100% nutrition to their family. Idea is to un-junk the junk from pasta and instant noodles and create a habitual indulgence made from nutrition rich ingredients known to the mother.
